Residential heating oil price increases

The average retail price for home heating oil rose 3-tenths of a cent from a week ago to \$2.65 per gallon. That's up 55 cents from a year ago, based on the residential heating fuel survey by the U.S. Energy Information Administration. Heating oil prices in the New England region rose 9-tenths of a cent from last week to \$2.60 per gallon, up 56 cents from a year ago.
